## **Translator's Note**

This translation was begun in 1988 with the permission of the author, Dr. Gernot Seide, and at the urging of the late Cynthia Helen Stallman-Pacitti of the University of Melbourne, my dear friend. It was completed in 1991, but a series of obstacles arose at the time, resulting in this lengthy delay in publication. It is now presented for publication on the website <http://www.rocorstudies.org/>, where it may be accessed by anyone interested in the history of the Russian Orthodox Church Outside Russia.
